

Restaurant/Bar "Cento Passi"

Last Updated maandag, 28 september 2009

The restaurant, bar, relaxation, and conversation corners are situated on the top-floor of the hotel, accessible through an elevator and staircase. A continental breakfast buffet is served here daily. A daily varied three-course meal will be served at noon. In the evening, you can choose from the menu, and the bar is open for a drink or for entertainment.
