

New chef at the restaurant

Last Updated woensdag, 30 september 2009

We welcome Facchinetti Dominique, who started today as our new chef of restaurant "Cento Passi". He graduated at the hotel school of Koksijde, and are quite confident he will further raise the quality of the restaurant.

And of course, the new chef will present a renewed menu card. More reason to visit the restaurant quickly and let you surprise!

See the renewed lunch menu, menu à la carte, and the introduction video of the restaurant.
